

# One More Time

Intro: C/G/C/G

“Unlike our other songs this is a cover song written by a friend of ours: Steven  
"Bear" Salfelder

**C**                    **G C**                    **G C**                    **G/B**                    **D/D7**  
We have come together, in unity and love; to raise our hearts and hands to you, one more time.  
**C**                    **G C**                    **G C**                    **G/B**                    **D/D7**  
Yes our days aren't easy, but we still have your peace. For you send your spirit one more time.

**Chorus:**

**C**                    **G**                    **C**                    **G**  
One more time, we come to give you honor. One more time, we come to give you praise.  
**C**                    **G/B**                    **D/D7**                    **C/G/C/G**  
One more time, we come to lift our hands to you; one more time, one more time

**C**                    **G C**                    **G C**                    **G/B**                    **D/D7**  
We have come together, in unity and love; to raise our hearts and hands to you, one more time.  
**C**                    **G C**                    **G C**                    **G/B**                    **D/D7**  
Yes our days aren't easy, but we still have your peace. For you send your spirit one more time.

**Chorus 2x**

**Play chorus chords as instrumental/ending...**
