A **D** **A** **D**
You held my hand as I tried to stand, you calmed my fears and dried my tears
A **D** **E7** **A** **D**
You shaped me into what I am, you gave me love to be your child
A **D** **E**
And taught me how to serve Yahweh
D **E** **D** **E** **A** **A7**
But the greatest gift you gave was sharing Yahweh's Name.

CHORUS

You can give them all your heart but without Yahweh they never will be whole
A **D** **A** **D**
You brought me up to fear His Name not knowing that my life would change
A **D** **E7** **D** **E** **D** **E** **A** **A7**
All the plans you had for me would fade, every sacrifice you made wasn't all in vain
D **A** **D** **A** **D** **A** **D**
And I'm standing here now, I'm looking around where are you now, and I have to
E **D** **E** **A/A7/B7/B**
Ask "Why did you leave the faith?"

Pluck

B **E** **B** **E**
We both have gone our separate ways, the truth you gave me still remains

My love for Yahweh grows stronger everyday, but the greatest gift you gave,

the greatest gift you ever gave was sharing Yahweh's Name.

End....

E **F#** **E** **F#** **E** **F#** **B**
The greatest gift you ever give is sharing Yahweh's Name
